OUR POLICY

We are committed to delivering quality services keeping safety the highest priority. We are committed to providing the adventure experience that suits you the best, sharing our experience, values & knowledge with you.

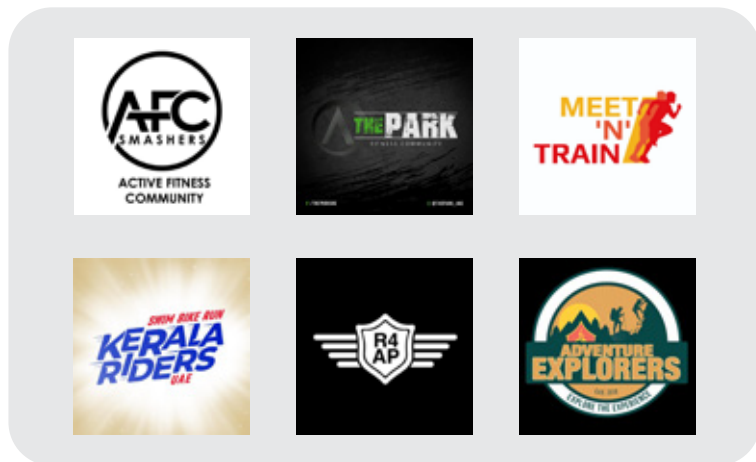

WHO WE ARE

We are started as a small Noncommercial Group it's called Adventure Explorers in late 2017 for adventure activities and social Services, We organized a lot of activities, free training workshops, and cleanup programs in Hajar mountains and beaches in UAE. We registered as a company in 2020, we are a youthful and energetic travel/ trekking company that covers the most attractive corners of the globe. Our group is well-known for all of our trips as they take the guests themselves to the destination. As of our enduring relations with agencies which are mainly Greenway Adventures -owned, we can entirely undertake that what we offer in terms of services, well-trained guides, accommodation and other aspects of each tour will meet our challenging values.

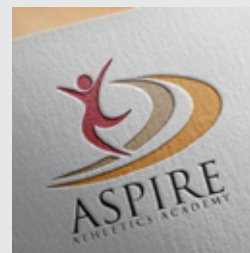

PROJECT GIVE BACK TO THE COMMUNITY

We are not just here to earn the money but we do a lot of social activities like mountain cleanup, beach cleanup, blood donation, and other social committed activities with the collaboration of communities and clubs like At the park, Adventure Explorers, Active Fitness community, Run4Purpose, meetNtrain, and Kerala Riders to encourage and promote the fitness and adventure activities. These projects are funded by Greenway Adventures Tourism LLC.

OUR PARTNERS & ASSOCIATES

We have a collaboration with other companies to involve in our various projects for other products and services, they have also a key role in our business. We are always happy to have a mutual business agreement with other service providers.
